

The day before  
yesterday, it was  
light blue.

Yesterday, it was  
yellow-green.

Today,  
it's pink...

Go back to  
your school  
We're starting  
the lesson!

BACKSHOT

That  
maths and I  
really don't  
get along?

What have I  
learnt during  
these lessons?

Wears  
blue-green-pink  
bras that show  
through her  
clothes?

Or that the girl  
in front of me,  
Asakura Kanae,  
from the next  
class...

At least  
today I  
have to  
do my  
best...

Grrr!

But what  
should I  
do with  
maths?!

SLUMP

ACK! I SAW  
SOMETHING!

You  
dropped  
this.

Well, that's  
because  
my club  
activities are  
outdoor, so  
it can't be  
helped.

The reason  
was completely  
obvious.

Th-  
Thanks...

Wow!  
Her skin's  
white...

Mine's  
brown...

I'm wearing one myself.

And why am I getting so worked up over a bra?

It's not something unusual at all.

And I'm used to seeing other people's in the club room.

Here like I don't want to see it!

It's so hot,

my head is spinning.

What  
is her  
problem.  
Geez.

Is she the  
artheaded  
type?

And it's  
hard to  
hook a bra  
with just  
one hand.

WAIT...  
WHAT?!

WHOOOSH

Ah! Your  
neighborhood's  
shopped, huh?

Sorry,  
sorry. I  
thought  
you'd feel  
better that  
way...

OH?

OHhhh...

you won't  
learn that just  
from staring at  
someone's back.

I'm sure

Would  
you like  
to go home  
together?

Em...

What I  
learned was  
that...

T22

On the  
last day

Supplementary  
maths lessons  
(basic level)  
lasted for  
3 days.

A certain  
something is  
about to begin.
